ORDERING & MENU SELECTIONS

Our menus are thoughtfully prepared from scratch, featuring fresh, seasonal ingredients sourced locally whenever possible. We are happy to consider vegetarian, vegan, gluten-free, and other dietary accommodations with advance notice. All modifications are subject to ingredient availability and kitchen capabilities. To ensure availability and exceptional service, we encourage early booking during the holiday season.

PRICING & EVENT CHARGES

Menu prices are subject to applicable sales tax and a 22% operational expense. The operational expense is separate from gratuity and helps support event coordination, administration, and operational services. It is not a gratuity distributed to staff. Service personnel, specialty rentals, equipment, and additional event services are quoted separately when applicable.

RESERVATIONS & PAYMENT

A signed catering agreement and 25% deposit are required to secure your event date. Final payment is due 14 business days prior to your event. Events booked within this period require payment in full upon confirmation. Gratuity is not included in our estimates. If you would like to recognize your service team, we would be happy to include an optional gratuity in your proposal.
